A LONG-RUNNING Kiama holiday park has been recognised with a prestigious award.

“The ‘BIG4 Supreme Award for Excellence’” has been awarded to BIG4 Easts Beach Holiday Park.

The East family owned and operated park in Kiama is celebrating 80 years in 2015.

One of the largest and oldest such parks in the country, it features more than 550 sites and a range of accommodation.

BIG4 Holiday Parks hosted the BIG4 Annual Awards at Canberra’s Parliament House last month.

The gala evening was a highlight of the organisation’s “Towards 2020” national conference.

The awards are billed as the ultimate recognition of the best of BIG4 parks.

Special mention was made to the founders of the park, Bruce and Bessie East and the fact the park is celebrating its 80th birthday of continuous operation by the same family.

Steven Wright, CEO of BIG4 Holiday Parks, congratulated the winners.

“These accolades recognise the best of the best from within the BIG4 Holiday Parks network,” Mr Wright said.

“I’d particularly like to acknowledge the East family for their BIG4 Supreme Award for Excellence at BIG4 Easts Beach Holiday Park.”
